

LOBBY LOUNGE

Vinkara şarapları, kendi bağlarımız ve fabrikamızın bulunduğu dünyanın en ideal bağcılık yörelerinden olan İç Anadolu'da Kalecik'te üretilmektedir. Anadolu'nun yerel üzümlere verdiği özel önem ile Vinkara, tüm şarap severlere daha kaliteli şaraplar ve dünyanın sofrasına yepyeni tatlar sunmak için çalışıyor.

Vinkara wines are produced at Central Anatolia Kalecik, where our vineyards and factory are placed and also one of the ideal places for vineyards. Vinkara produces wines from a blend of international grape stocks as well as resurrecting a premium selection of as-yet undiscovered Anatolian grape varieties to bring bold new tastes to the world's palate.
